

Snohomish Youth Soccer Club 2011 U10 Academy Program

WHO IS THIS PROGRAM FOR?

The U10 Academy program is for the 8-9 year old boys and girls, (with a birthday cutoff of 7-31-01), who are looking for a little bit more than what recreational soccer has to offer. This program is meant to mirror our select program, just on a smaller scale. This program requires more of a commitment than recreational soccer, as the seasons are longer and there is more traveling involved.

WHEN DOES THE PROGRAM BEGIN?

The program will begin with a mock tryout (date and time TBD). After this we will start our training the beginning of May. There will be two combined trainings a week with all players and coaches. This will give the players and parents an opportunity to become familiar with all the coaches in the program. The group will be separated by gender. Teams will be formed by August 1st and no one will be cut from this program. Recommendations will be made for those players who we feel are not ready for this advanced level of play, so they may return to recreational soccer for the Fall season. The Academy will consist of two seasons, one in the Fall (September-November) and one in the Spring (January-March). Summer tournaments will be available for those players that are interested in participating.

WHAT IS THE COST?

The cost of the Academy program will be \$650. This fee includes player registration, coaching education, and uniforms. Additional fees will apply for practice gear, tournaments, equipment, etc.

We look forward to your participation in our 2011 Academy program. If you have any questions please feel free to contact me. Scott.td@snohomishyouthsoccer.org
